

The Friendship Pledge

*National Friendship Day
The Bahamas*

Driven by the spirit of friendship for my family,
neighborhood and country,

I pledge:

My out stretched hands to serve and protect you
My attentive ears to care and listen to you
My winsome smiles to cheer and warm you
My rightly spoken words to inform and guide you
My time, efforts and motives to do to you as I would have
you do to me;
So together, under God we remain one people, UNITED.
